

In this song Annamacharya describes the beauty of Alamelu Manga, which filled Venkatesa's heart with joy. He also says that they are the eternal divine couple.

Alamelumanga, you are shining like a pearl.

Venkatesa finds a new look in you.

1.You stay on the chest of Venkatesa.

You beam with happiness. Your smiling face radiates joy, making your husband cheerful.

2.You are the crowned queen of Venkataraya.

Your sweet words of love make even the dry trunk bloom. You joined Him. You are a divine couple.
