

In this song, Annamaiah gives examples of great devotees like Narada, Prahlada, etc. who chanted different mantrams (incantations) to get God's grace. He says that he is blessed with Venkatesa mantram and assures us that this mantra bestows us Supreme bliss.

I am blessed with Venkatesa mantram (incantation) from my childhood and all other mantras are inherent in this single mantra.

1.Narada chanted Narayana mantram. Prahlada
chanted Narasimha mantram. Vibheeshana got
Rama mantram. I am blessed with special
Venkatesa mantram.

2.All these mantras aim to obtain the grace of
Venkatesa. I can bet that the Venkatesa mantram
bestows supreme bliss. My master taught me this
to protect me. The Venkatesa mantram is bright
and pleasant like moonlight.
