

Oh lotus eyed Hari, you are everything. Oh

Sri Raghu Rama, you alone are close to me.

1. Oh Govinda, my wealth and caste are you.

You are ocean of Compassion. Oh bearer of
this earth, you are my abode and thought.

2. Oh Damodara, you are my body and my

prosperity. Oh Madhusudana, you are my
listener. Oh Vitthala, oh Vishnu, you are in
front of me and around me.

3. Oh Purushottama, you are the origin, the middle

and the top. Oh Sri Venkateswara, you alone
are my ultimate refuge.
