

I sing the glory of Sri Venkatesa who dwells on
Seshachala. That is my sacred vow.

1. Who did Sankara and other sages worship?

Who did sage Suka always meditate upon? Long ago which God did Dhruva worship? Which great God did sage Narada sing about?

2. Which God did Vibheeshana whole-heartedly surrender to? Which God did Bheeshma chant about? Who was Bhakta Prahlada's life-saver? Who did sage Vasishtha worship?

3. Who was inspiration for great poet Vyasa to write? Who was the ultimate protector of Arjuna? Who is the dear consort of Alamelumanga? It is Sri Venkatesa only who gloriously established himself here.
