

In this song Annamaiah says that Alamelumanga is very fortunate to be the beloved consort of

Venkateswara. He adds that her husband respected ,loved and obeyed her.

Oh my dear maidens, look, how fortunate Alamelumanga is. She is indeed fortunate.

1. A woman bestowed with sympathetic husband is fortunate. Her husband implicitly obeys her. It is her fortune. She is fortunate to have her husband with her always. Oh my dear women tell me how fortunate she is.

2. Sri Venkateswara looks after her with love and appreciation. It is her fortune. Oh maidens, tell me who else is more fortunate?
