

In this song Annamacharya describes the appearance and the power of Sri Narasimha (incarnation of Sri Maha Vishnu as man-lion) in destroying demon Hiranyakasipa.

Oh Sri Narasimha, please hold us and protect.

Your sacred feet are our ultimate refuge.

1. Oh Narasimha, you shine well with thousand arms. You shower smiles. You are firm but benevolent. Lakshmi Devi is seated on your lap.

2. Oh Narasimha, you are like milk-ocean. You tore demon Hiranyakasipa with your diamond like nails. You praised prahlada. All Devatas chant your praise.

3. Oh Narasimha, you are glorious with your consort. Your strength is amazing. Your abode is Venkatadri. You are full of compassion
