

Annamaiah praises Yasoda's child Krishna in this song, saying that even the most depressed persons become happy by his influence. He adds that those who surrender to him would be liberated.

This boy is Yasoda's child. He is the father of  
Brahma.

1.He is unique with brilliance of the sun and the moon. He invigorates the tired ones. He is the creator of all devatas. He is the gold mine for devatas.

2.He is the great person before you and he overwhelms all. Sri Venkatesa is the confluence of soul and super soul for those who surrender to him.
