

In this sanskrit song Annamayya describes Sri Rama as the greatest king,as the destroyer of demons and as the savior of the righteous.

Worship the Lord of all Gods.He is glorious. He is
the enemy of the demon king Ravana. He is valiant.

1.He is the most eminent king. He is the moon of
the Sun dynasty. He is very handsome with perfect
body. He is blue. He wields the bow of Parasurama
the enemy of Kshatriya clan. His eyes resemle a lotus.

2.He is adored by Brahma seated on lotus. He is the supreme Narayana.He lifted the invincible bow
of Janaka which was obtained from Siva. He conquered Lanka and comforted Vibheeshana. He is
Venkatesa who is worshipped by sages and learned.
