

Clever Krishna is a known thief. (koogoogu is rhythmic word in folk songs) He hides from the searching looks of all.

1.He stole the robes of bathing maids and sat on a tree by the side of pool. He enjoyed milk in the pots hung on sling. It is impossible to control this boy.

2.Oh maids, catch hold of the wise thief who hid in the flocks of cows. May be, he is Venkatesa himself on Venkata hill. .
