

Oh Lord, when you fly on your vehicle Garuda,
the sky thunders with rumbling sound.

1. When you rise into the sky there is dazzling light
in the sky. The Vedas, the Upanishads and the
whole universe vibrates in commotion.

2. When your Garuda vehicle galloped in anger
the universe revolved amazingly causing fear
to all.

3. Oh Venkata Ramana, When you are seated on
the saddle of your golden Garuda, the whole
demon clan trembled with fear. They are totally
submerged in the flood of your inestimable might.
