

In this song Annamaiah eulogises the greatness and sacredness of Sree Venkatesa's name which alone bestows eternal happiness.

This name alone is the means to live in this world and in the transcendental world.

His supreme name bestows all security.

1. It destroys the evils of kali yuga and bestows emancipation. Sri Hari's name shines forever. It is easy, it bestows happiness. It is auspicious and is the ultimate. Chant Sreepati's name repeatedly.

2. It is a precept. It is abode. It is a regular ritual. Govinda's name is our food and gold. He is the sole refuge to us. Sri Venkatesa's name is all-pervading.
