

In this song, Annamaiah describes his beautiful dream in which he saw Lord Venkatesa in all His splendor.

Just now, I saw the father of all lokas (universe),  
Tiru Venkatadheesu in my dream.

1.I saw the grand peaks of Seshadri, the unique  
towers shining with the light of a million suns,  
my Lord with four faces, and I woke up at once.

2.I saw his unique Sankha (conch), Chakra (discus),  
his unique protecting hand, Hari the lord of  
Venkatachala as the guru and I got up at once.
