

Oh Lord Venkatesa, please cut off my
entanglement in the web of worst sins.

1.You shine like hundred Suns with discus on
your hand. You have the valour of thousands of
warriors. You destroyed the mighty crocodile to
rescue Gajendra.

2.You wield "Sudarsana Chakra" to cut asunder
demons. The world resounds with the terrifying
sound of your "Vajrayudha". Your infinite power
has the the effulgence of apocalyptic fire. Your
weapon severes necks of demons and spills
blood all over.

3.Oh Sri Venkatesa, you are the most benevolent
lord. You are powerful and victorious. I
implicitly surrender to you. Please protect me.
