

Oh my mind, if you forget devotion to the Lord  
now, you'll not get opportunity again. Think of  
him with total dedication.

1. People are living and expiring in this world. Oh  
mind, meditate upon Srihari's name during this  
life only.

2. Maha Vishnu's glory exists inside your  
conscience. It is there in the whole creation. Oh  
mind, believe that Sri Venkateswara is the most  
benevolent Lord.
