

Oh Lord Narasimha, as Krishna you lifted aloft Govardhana mountain. As Maha Vishnu you were benevolent to goddess Parvati the daughter of Himavanta.

1. Oh heroic Narasimha, you are the supreme radiance, Oh Lakshmi Narasimha, as Krishna you were friend of Arjuna. You are multi-faceted. You are the annihilator of demon Naraka. Victory to you always.

2. You exhibited nine kinds of "Rasas" amazingly. As Krishna you are butter-thief. You are repository of nine sorts of virtues. Your icon is decorated in all splendour.
