

Oh Lord Narasimha, You have smiling face. You are strong like a mountain. You dwell at Garudadri.

1.You destroyed many demons. You are primordial. Brahma and other Devatas bow to you. Lakshmi is seated on your left lap. I bow to golden Narasimha again and again.

2.Your eyes shine like the Sun and the moon. You are ferocious. I bow to you. You destroy worldly attachments. You shine with nine kinds of "rasas".(compassion, anger, serenity etc.)

3.You are the protector of those who seek refuge in you.You are gentle. You save us from hell. You dwell at Venkatadri. Victory to you.
