

In this song, Annamaiah describes the beauty of the divine couple, Sri Venkatesa and Alamelu Manga.

Her face is beautiful and her movements
are graceful.

1. Camphor powder sprinkled on the body
of Venkatesa fell on the bosom of his
consort. It was like bright moon light shining
on her body.

2. Ornaments were glittering on the bluish body of
Sri Venkatesa. Alamelu Manga was shining by
his side. It was like lightening flashing on clouds
in a dark sky.
