

Beautiful young women bloomed with joy.

What should we do?

1. While a woman was thinking about her husband golden flowers bloomed. When a woman was pining in love jasmines bloomed. While another was yearning for her beloved, wild jasmines bloomed. I don't know what is good for me. What can I do?

2. When a woman was enjoying with her lover Mankena flowers bloomed. When some women were together Mogali flowers bloomed. Camphor fragrance spread all around Lord Venkatesa. What should the young women do now?
