

Oh Supreme Lord, please take me to shore
and kindly protect me.

1. A beggar is ignorant of right and wrong. A
greedy person has no sense of shame. A worst
sinner is not afraid of sin. A depressed person
like me lacks wisdom.

2. Ungrateful persons do not have good qualities.
A wavering person can never decide. An atheist
has no support to depend upon. A foolish
person like me is devoid of virtues.
