

O Venkatesa, you are the supreme one where as I am the most inferior person in this world. Is there gentleness in me?

1.I commit infinite number of sins but  
your compassion is infinite. I am mean  
and ignorant where as you are  
magnanimous.

2.I commit mistakes where as you are skillful in  
protecting me. I am ignorant where as you are  
the wisest. Oh Venkatesa, you protect me in many  
ways. The world is filled with your glory.
