

Oh Lord Venkatesa, I seek protection. Indra the
lord of Devas adores you. You are Lakshmi's
Lord.

1. You hold lotus beautifully. The Sun, the
moon and Brahma worship you humbly.

2. All devatas, sages, chiefs of all directions,
super human ascetics, Rambha and other
celestial women are praying for your grace.

3. Prahlada and other important devotees have
come to worship you. Oh Venkatesa the lord
of Tirupati, please listen to their appeals.
