

In this song Annamaiah describes various deeds and talents of Hanuman.

Oh Hanuman, You are the unparalleled performer of Rama's works. You are eminent in the Vedas and other scriptures. Protect me.

1. Oh Hanuman the son of Anjana and the wind god. You can appear in any form you wish. You set fire to Lanka in a befitting way. You crossed the sea amazingly. Devas and Manavas worship you. You dwell at Kalasapura.

2. You dispelled the sorrow of Sita. You pulled the Sanjivani mountain. You have shown astounding valor in combating the demons. Sri Venkatesa is pleasantly compassionate to you. Your complexion is golden yellow. You dwell at Kalasapura.
