

In this prayer song Annamaiah describes the divine appearance and great qualities of the Super Soul Sriman nArAyaNa. He expresses total surrender to his lord.

Oh Sriman nArAyaNa, I surrender to your lotus feet only.

1. You are like the Sun to your lotus faced consort.

You are dear to your consort, Kamala.

Your eyes resemble lotus petals. You are dear to

Brahma the creator. You move on Garuda bird.

Your navel is like lotus. I surrender to your lotus feet.

2. You are the final destination for supreme sages.

You are the supreme personality. You are

transcendental. You are the supreme soul. You

manifest yourself even in the tiniest atom. Oh Lord

of holy Venkata hill, I surrender to you.
