

Oh Lord, please take me to safe destination
without finding faults in me. I abide by your will.

1.You dispel all evils of Kaliyuga. We are your
humble servants. We surrender to you. You are
strong like a cage made of diamonds to bestow
me protection.

2.You eradicate sins. You dispel our sorrows. We
are yearning for your grace. You are the savior of
Gajendra. You are ocean of compassion. We are
humble beings with utmost faith in you.

3.You are the dear consort of Lakshmi. We are
your humble devotees. Why should we follow
other faiths?. Please dispel our sorrows and
protect.
