

This is a song about the dance of
Alamelumanga. Some words are Mridangam
notes like dhimi dhimi, tonga tonga

O young lady please turn around while you
dance Your delicate star necklace is moving

1. Dancing with the mridangam or drums
beating O beautiful lady of Vishnu please
listen this beauty suites you.

2. Your face shines with a suitable and
Expressive light of happiness on it
Your lord will say bhala bhala with
enjoyment

3. O mother Alamelumanga Nanchari
O queen of Sri Venkateswara
The beat from your anklets sound
Is beautiful.
