

Young women are singing and swinging
Sri Krishna in cradle gently.

1. Young women are singing for the child
in golden cradle. They hum soothing
words "lali lali"

2. They are singing for the smiling Krishna whose
eyes are like lotus petals. The beautiful women's
foot rings are sounding rhythmically 'dhim, dhim'

3. The young women are singing for the boy of
Repalle showering affectionate looks. They are
close to the Almighty Venkatapathi. Their anklets
are resounding with tinkling sound 'ghallu, ghallu'.
