

Those who accept Vaishnavism
enjoy it like honey.

1. Giving up desires with a spirit of
renunciation is Vaishnavism.

Giving up anger and wavering
nature is Vaishnavism.

2. Abhorring bodily pleasures is true
Vaishnavism. Vaishnavism frees
you from becoming a slave to
sensory pleasures

3. Leaving away other ways of worship is
true Vaishnavism. Chanting the sacred
name of Venkatesa is Vaishnavism.
