

I bow to Madhava the lord of the universe. It is difficult to get his grace. He bore Mandara mountain. He is mighty. His consort is Bhudevi.

1.I bow to Narahari the destroyer of demon Mura.

He is Narayana the transcendental. He is Achyuta  
with Garutmanta as vehicle. He is the Supreme.

His eyes are lotus-like. Mercy is his ornament.

I seek refuge in him.

2.I bow to Srirama the protector of Yajnas.

He is perfect. He is Vasudeva. I bow to

Venkatesa whose complexion is blue.

He is delicate. He is icon of serenity.
