

Shall we pray to Venkateswara that dwells on the
Venkatagiri hill?

1.He is the primordial that fulfills our wishes. He dispels
sins and always shines.

2.He is known as the collector of interest on our
vows. He has lotus flower at his navel. He is
Govinda that bestows children even to the
hopeless barren women.

3.He is the lord of Alamelumanga on Venkatadri
that delightfully fulfills our desires
