

In this song Annamaiah expounds the merits of the stories about Sree Maha Vishnu. He says that Vyasa, Narada and even the shepherd maids enlightened all by rendering the stories of Vishnu.

Listen to the stories of Vishnu. It is our fortune.

They support us like back bone.

1.From the ancient times Vishnu's stories have been akin to rituals like Sandhya. Narada and the other sages recited Vishnukadha every where.

2.Veda Vyasa incessantly recited famous and sacred tales of Vishnu. The songs rendered in praise of Vishnu are the abode of Vishnu.

3.While the Gopikas churned curd, stories of Vishnu bloomed on their faces like flowers. In this way Sree Venkatesa's name is popularized by Vishnu kadhas.
